

Agriculture, Rural Development & Biodiversity

OUR ACTIVITY

2022

€1.18
BN

committed to agriculture,
rural development
and biodiversity in 2022

Our commitments have grown sharply in Asia, but Africa remains a priority for AFD in this sector.

Climate and gender equality: core aspects of our projects

13 CLIMATE
ACTION

63%
of projects

also benefit the climate,
representing a contribution
of more than €786 M, through
actions involving adaptation
to the effects of climate change
and mitigation of greenhouse
gas emissions

5 GENDER
EQUALITY

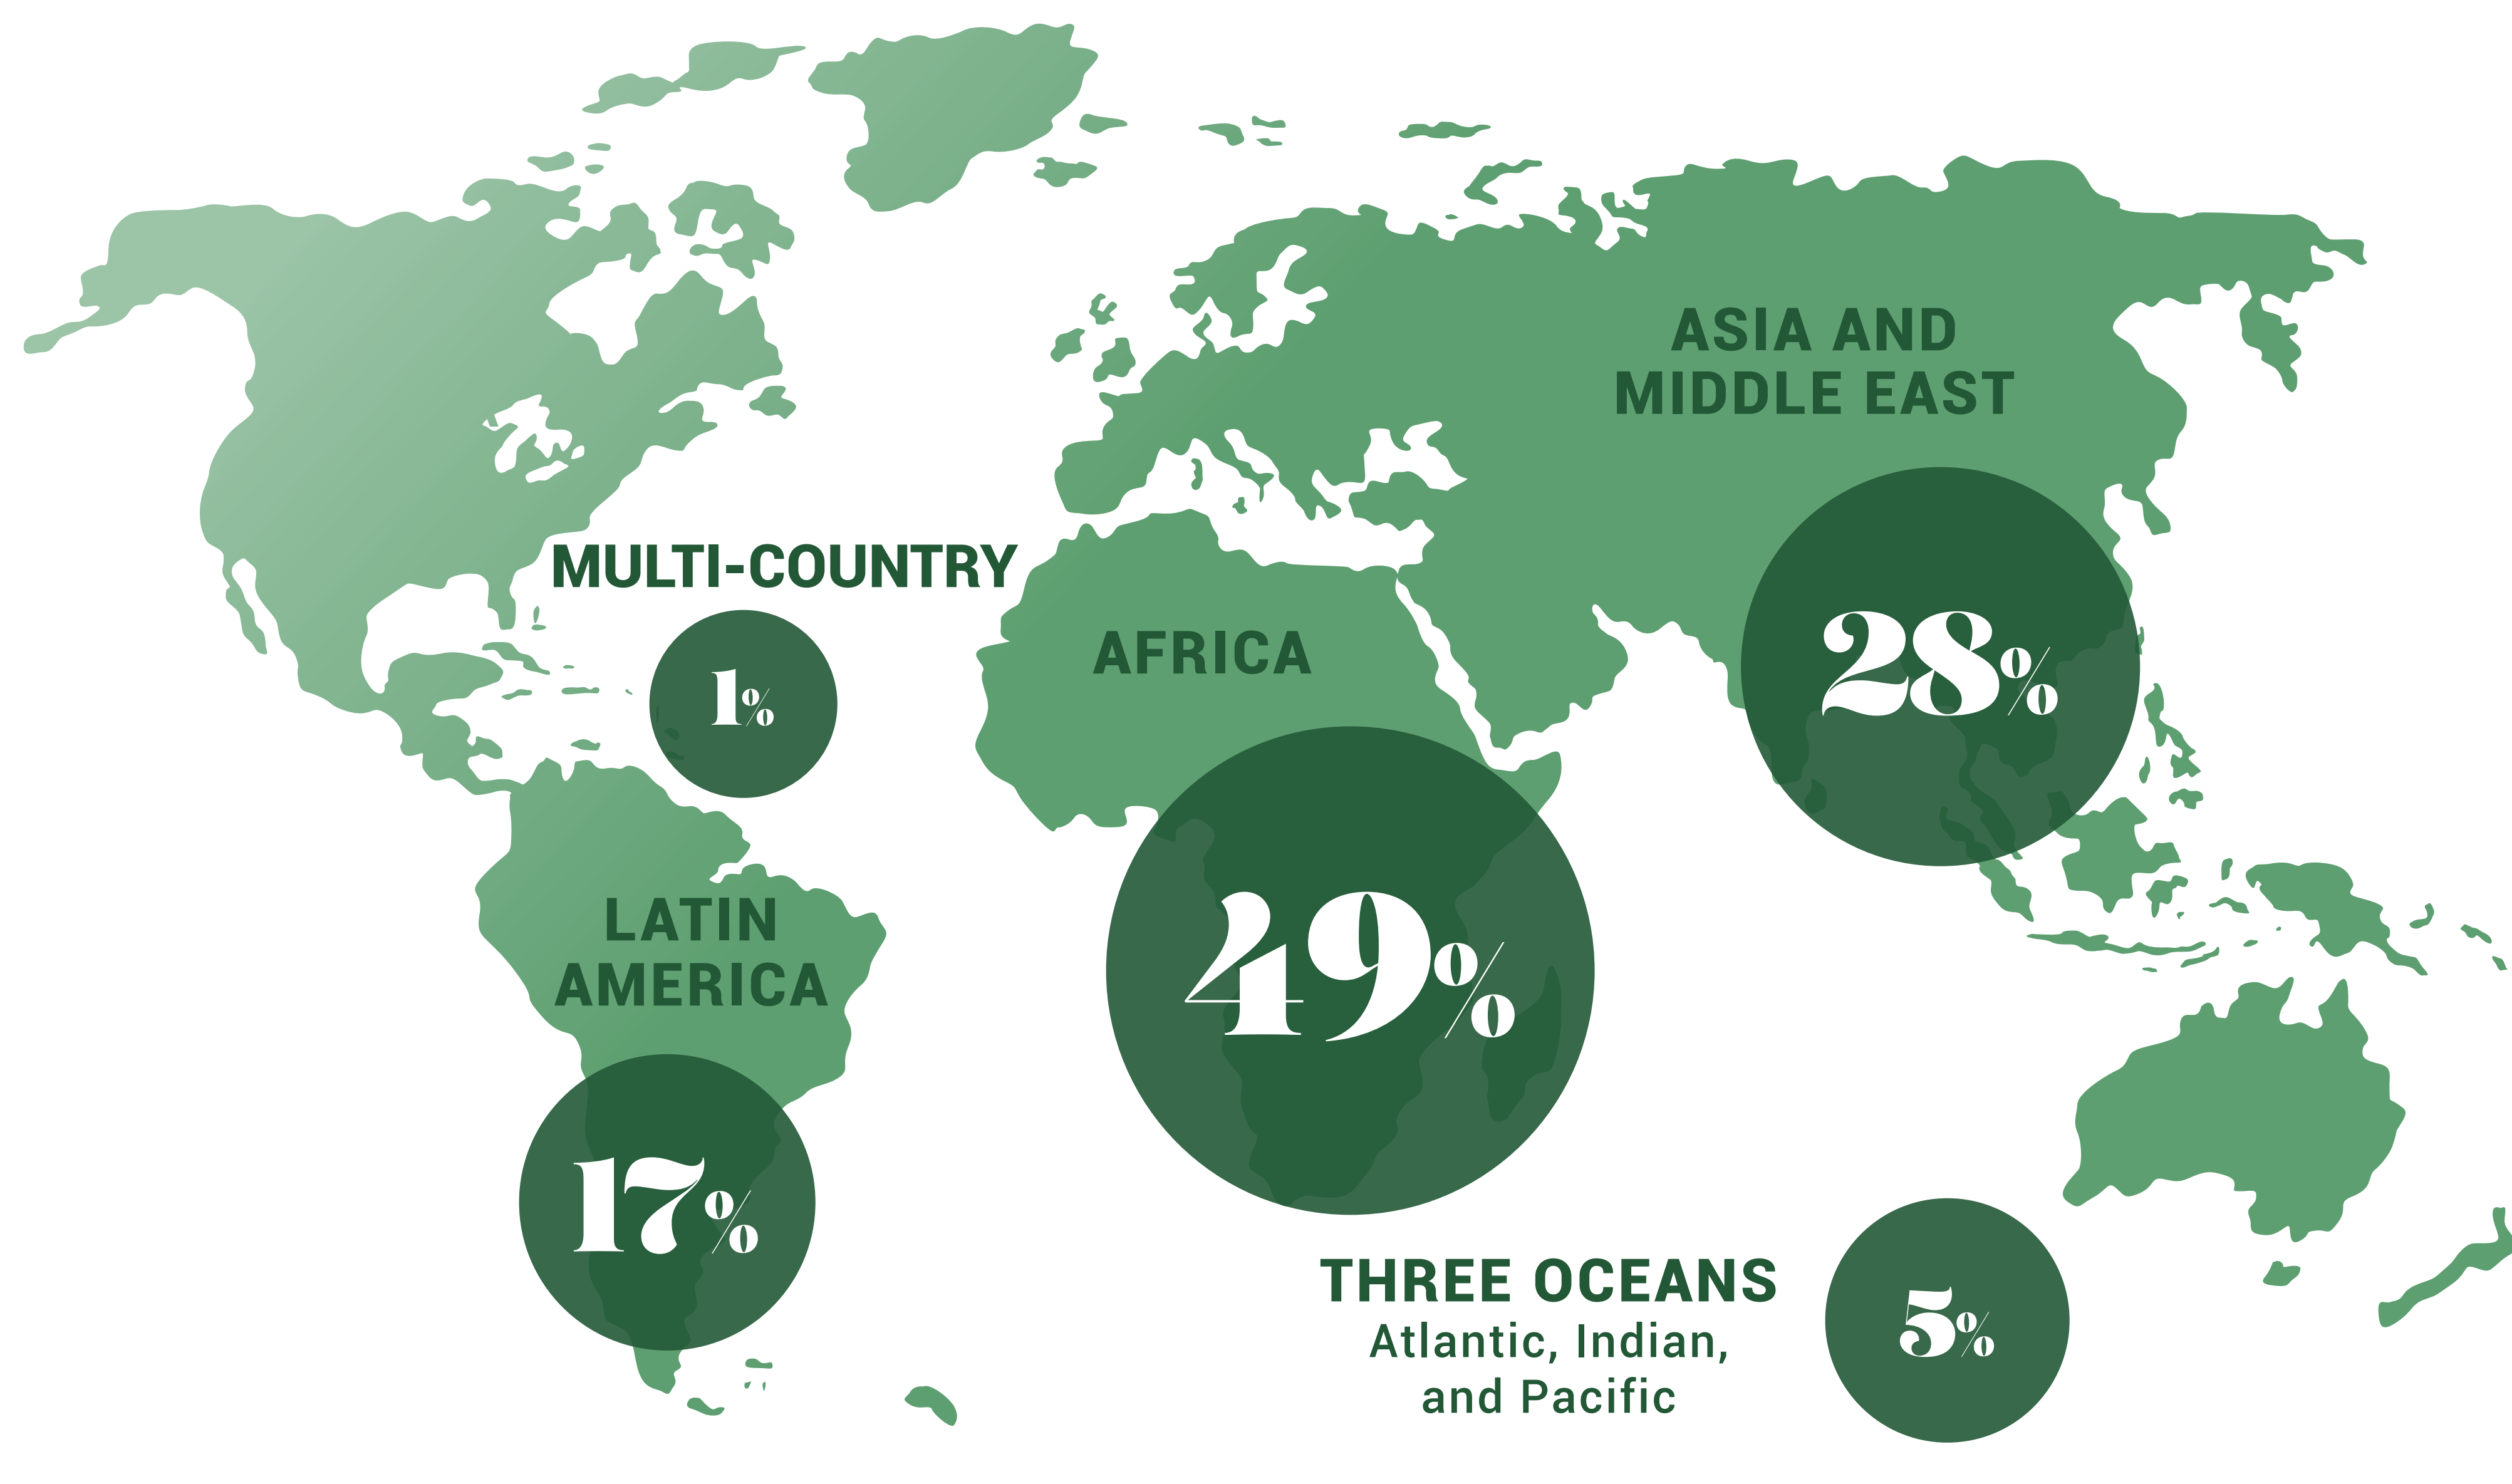

35
projects

will help reduce gender inequalities,
representing 61%
of the total amount of funding
in the sector (€722 M)

Projects in progress

Portfolio distribution

336
projects
in progress
in the sector

For a total
amount of

€6.2
BN

Projects with impact on the ground

The AFD-financed projects that were in progress or completed in 2022 enabled the following:

2 ZERO
HUNGER

363,000
family farms

saw their economic
performance improve
or met the conditions
to achieve it

20,700
hectares of agricultural land
started their conversion
to agroecological systems

90,700
family farms

were supported
in their conversion
to agroecological systems

935,500
people

were empowered
through improved access to services
in the agricultural sector

Projects with impact on the ground

The AFD-financed projects that were in progress or completed in 2022 also enabled the following:

683,000 people
(including more than
308,000 women)
in vulnerable situations
received support

More than
36 million
hectares of land

benefited from biodiversity
conservation or
restoration action

700,000 people

saw their conditions
of access to basic equipment,
infrastructure, and services
sustainably improved

998 local territorial
management institutions
received support

Nearly 41 million
hectares of natural
terrestrial, coastal, and
marine environments

benefited from biodiversity
conservation or restoration
programs

...thereby helping in efforts toward achieving the Sustainable Development Goals (SDGs):
